ELECTION SUMMARY

A general election was announced on September 9, 2011 to take place on Tuesday, October 11, 2011. The *Elections Act* requires polling day to be on a Monday. There is, however, provision for polling day to be on the following Tuesday, if the immediately preceding Monday is a statutory holiday within the meaning of the *Interpretation Act*. Thanksgiving Day was Monday, October 10.

The chief electoral officer, Jo-Ann Waugh, issued the writs of election to the returning officers for the 19 electoral districts on September 9, 2011.

Following completion of enumeration there were 18,018 electors on the preliminary lists. At revision on September 27 and 28, 2,122 names were added to the lists. Special revision took place from September 29 through October 7 and 590 electors appeared in person at returning offices to be added to the lists. The official lists of electors for the general election contained 20,730 names.

Nomination day was Monday, September 19. Sixty-two candidates filed nomination papers. At the issue of the writs, there were six registered political parties. Two registered political parties endorsed candidates in 19 electoral districts; one party endorsed candidates in 18 electoral districts; and two parties each endorsed candidates in two electoral districts, the minimum required pursuant to the *Elections Act*. The registration of the United Citizens Party of Yukon was cancelled by the chief electoral officer on the same date for failure to endorse the minimum number of candidates.

There were two independent candidates at this election.

Advance polls took place on Sunday and Monday, October 2 and 3, at which time 2,827 electors voted.

Polling day was Tuesday, October 11 and 13,079 electors voted. This number included 667 electors, who were sworn in on polling day; 596 who voted by proxy; 377 who voted by special ballot; and, in one electoral district, 11 who voted by mail-in at this election. Official results were certified for 19 electoral districts on October 12.

The returning officer for the Electoral District of Copperbelt South applied for a judicial recount, which took place on October 15, 2011, conducted by a judge of the Supreme Court of Yukon. There was no change to the result for this electoral district. The returning officer declared the election on that date. In the remaining 18 electoral districts the returning officers declared the candidates with the greatest number of ballots elected on October 17.

As required by subsection 117(2) of the Act, 54 candidates received refunds of their nomination deposits.

The *Elections Act* requires advertising relating to an election to include the name and address of the sponsor. One media outlet received a warning letter concerning a contravention of this provision and further legal action was not necessary.

The chief electoral officer is reviewing complaints concerning the election and will be reporting to the members of the Legislative Assembly on the process of enumeration, and the use and types of voter identification, as well as conducting a general assessment of other election procedures.
